

MARSTON'S

Pathway Agreement

INTRODUCTION

The Pubs Code Legislation came into effect on 20th July 2016. Marston's Plc operates under the provisions of the legislation. You may already be operating under a temporary agreement. This details information that we (the Pub Owning Business) are legally obliged to give you (the Tied Pub Tenant), along with details of the information you need to give us

before entering into a substantive agreement. Each piece of information must be collected and received in a specific order, so this guide has been developed to give you a step-by-step guide to the process.

RECRUITMENT

We will:

- Give you a copy of 'Your Pub Your Vision' so we can learn your vision for the pub going forward
- Arrange your credit check
Please give us: your full name, current address and a personal email address.
- Ask for documentation that proves your Right to Work in the UK

This is a legal requirement. If you are a British Citizen this should be your UK or Irish Passport. Alternatively, if you do not have one, you will need to provide your full birth certificate and National Insurance details. If your passport was issued by an EU country (not the UK or Ireland) we will need you to provide us with a share code available from [View and prove your immigration status - GOV.UK \(www.gov.uk\)](https://www.gov.uk) to allow us to verify your Right to Work online. Please note if your documents are in your birth name and you have married since they were issued, we will also need your marriage certificate. If your passport was issued by a country outside the EU, we'll need your working visa. If this requires sponsorship please note that unfortunately Marston's are not a licensed sponsor.

PUBS CODE PROPERTY PACK

Once you have completed the previous stages, if successful, we will give you:

- A Pubs Code Property Pack, which includes a copy of, and summary of the proposed agreement together with copies of Marston's protocols and general information about the pub

Please sign and return the Pubs Code Property Pack Information Supply Sheet to acknowledge receipt.

Do not obtain independent professional advice or prepare a Business Plan until you have received your Pubs Code Property Pack. And remember, the Pubs Code Property Pack will be valid for just nine months from the date of issue, after which time, it will have to be re-issued. If it does expire, it will be down to you to provide updated independent professional advice.

INDEPENDENT PROFESSIONAL ADVICE

Once you have your Pubs Code Property Pack you should:

Obtain your own independent professional financial, legal and property advice

- *This advice is for your benefit to ensure that you understand your obligations under the terms of your agreement.*
- *Your agreement is in our standard format. We will not negotiate any amendments to the agreement and any legal advice you seek out should pertain to the agreement as drafted.*
- *Marston's will attach a 'Schedule of Condition' to your agreement, which will record the condition of the premises at the beginning of the agreement.*
- *All professional advice should come from an appropriately qualified professional, as detailed in the Appendix at the end of this guide.*
- *All independent advice should be obtained by the person or company whose name the agreement is going to be issued in.*
- *Your professional advice must be addressed to the individual or company whose name the agreement is going into and include the full address of the pub. The advice needs to be signed and dated by the individual giving the advice and should include their qualifications. Your financial advisor must give their opinion on whether your business plan is sustainable.*
- *If you decide to put the agreement in a company name, all professional advice should be in the company name as it will appear on the agreement and the guarantors should be named on the advice letters received.*

BUSINESS PLAN

Complete and return your Business Plan including your P&L, Cashflow and Sensitivity Analysis.

Make sure your Business Plan includes the correct property rent and reflects any RPI increases regarding charges such as the service charge and buildings insurance.

It is also important to make adequate allowances to cover all costs (including the full cost of your repairing liabilities).

And you will need to ensure that the cashflow has the pub name on it and that the commencement date is the same as the commencement date of the agreement.

INFORMATION NEEDED PRIOR TO FORMAL OFFER LETTER

Before we send you an offer letter, we will need your:

- Signed Pubs Code Information Supply Sheet
- A copy of your Personal Licence
- PEAT Certificate. Get yours for approximately £100+VAT
- Credit check information
- Right to Work information
- Written proof of financial advice
- Signed standard letter confirming legal advice has been taken
- Signed Business Plan
- Property advice recommended

DON'T FORGET

Marston's provides BII membership for our Tenanted sites – they have lots of resources to help with business planning. Visit www.bii.org for more information.

FORMAL OFFER LETTER

When you receive your Formal Offer Letter, you will need to send us:

- Proof of insurance, which must meet the minimum requirements set out in the agreement. Also, the name on the insurance policy must be the same as the name the agreement is going to be granted in
- Deposit - 25% of the rent or £5,000, whichever is higher
- Our Legal Fees - £360 (including VAT)
- Three months' most recent consecutive bank statements for each person named on the agreement or other appropriate proof of funding
- Confirmation of VAT registration
- If the agreement is going into a company name, we need the same information for the company and for all the guarantors. The funds shown in the account will be checked against the sums in the Funding Sheet to ensure that there is sufficient to proceed.

PRE-ENTRY TRAINING

Once we have all relevant documentation, you will need to complete all pre-entry training before entering into your substantive agreement.

Everyone named on the agreement must complete all the pre-entry training unless they qualify for a training waiver.

If the agreement is in the name of a limited company, all guarantors who are Directors of the company must complete the training, unless they qualify for a training waiver.

If your Business Development Manager* believes you could qualify for a training waiver, you will need to give them details of any other tied pubs you occupy or any other Marston's tied pubs you have occupied on a substantive agreement.

If you qualify for a waiver, we will send you a letter to sign and return, confirming that you qualify for

the waiver, before you enter into your substantive agreement.

** For clarity The Pubs Code refers to Business Development Managers, but Marston's also refers to them as Area Operations Managers.*

Pre-entry training currently comprises two days online induction training and a selection of e-learning modules. Marston's provide the training free of charge but accommodation, travel and food (if needed) are not included.

AGREEMENTS

Once you have given us all the information and completed the pre-entry training:

- We will issue you with your agreements and a Commitment Pledge for signature. Your Commitment Pledge is a document setting out our expectations during your agreement
- Your agreement is contracted out of the provisions of the Landlord & Tenant Act 1954 and you will have to sign a statutory declaration, witnessed by either a Commissioner for Oaths or a Solicitor empowered to administer oaths
- All signed documents should be returned to the **Operational Estate Admin Department, Marston's PLC, Marston's House, Brewery Road, Wolverhampton WV1 4JT**
- Once we have completed the agreements, we will return a signed copy to you.
